Eden I was an advanced reader as a kid and this is not a book for children. My daughter saw the movie at 17 and will not read the book and she was an advanced reader as well. The way that King deals with the deaths in the book is amazing but it is not the way to start the conversation with your 10 year old.

Is it a good book for my 10 year old son... | Pet Semetary Q&A
author. Stephen King. book. Pet Semetary. concepts. peace universe life lessons life. #4. [By nine o'clock the movers were gone. Ellie and Gage, both exhausted, were sleeping in their new rooms, Gage in his crib, Ellie on a mattress on the floor surrounded by a foothill of boxes—her billions of Crayolas, whole broken, and blunted; her Sesame Street posters; her picture books; her clothes; heaven knew what else.].

Posted on Friday, April 5th, 2019 by Chris Evangelista In 1983, Stephen King released Pet Semetary, a novel so unsettling that even King himself felt he had gone too far. Decades later, it holds up...

A family moves into a beautiful old home in rural Maine, not realizing the horror that awaits them from the pet cemetery and Indian burial ground behind the house.

Now a major motion picture! Stephen King’s #1 New York Times bestseller is a \u201cwild, powerful, disturbing\u201d (The Washington Post Book World) classic about evil that exists far beyond the grave\u2014among King’s most iconic and frightening novels. When Dr. Louis Creed takes a new job and moves his family to the idyllic rural town of Ludlow, Maine, this new beginning seems too good to be true. Despite Ludlow’s tranquility, an undercurrent of danger exists here. Those trucks on the road outside the Creed’s beautiful old home travel by just a little too quickly, for one thing\u2014as is evidenced by the makeshift graveyard in the nearby woods where generations of children have buried their beloved pets. Then there are the warnings to Louis both real and from the depths of his nightmares that he should not venture beyond the borders of this little graveyard where another burial ground lures with seductive promises and ungodly temptations. A blood-chilling truth is hidden there\u2014one more terrifying than death itself, and hideously more powerful. As Louis is about to discover for himself sometimes, dead is better!

A bewitching epic fantasy about a revenge killing, a mysterious scroll box that has survived centuries of fires, and the book that changed everything "Intricately plotted and gorgeously written, The Absolute Book is a cinematic tale that is by turns dark and dreamlike, yet ultimately hopeful." --Deborah Harkness, New York Times bestselling author of A Discovery of Witches Taryn Cornick believes that the past—her sister's violent death, and her own ill-conceived revenge—is behind her, and she can get on with her life. She has written a successful book about the things that threaten libraries: insects, damp, light, fire, carelessness and uncaring . . . but not all of the attention it brings her is good. A policeman, Jacob Berger, questions her about a cold case. Then there are questions about a fire in the library at her grandparents' house and an ancient scroll box known as the Firestarter, as well as threatening phone calls and a mysterious illness. Finally a shadowy young man named Shift appears, forcing Taryn and Jacob toward a reckoning felt in more than one world. The Absolute Book is epic, action-packed fantasy in which hidden treasures are recovered, wicked things resurface, birds can talk, and dead sisters are a living force. It is a book of journeys and returns, from contemporary England to Auckland, New Zealand; from a magical fairyland to Purgatory. Above all, it is a declaration of love for stories and the ways in which they shape our worlds and create gods out of mortals.

In this spectacular New York Times bestselling father/son collaboration that [barrels along like a freight train] (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious [Eve Black,] is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman's prison, Sleeping Beauties is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

Welcome to Promise, a small town in the heart of Texas where the neighbors are friendly and you might just find love. Lonesome Cowboy Everyone in Promise thinks Savannah Weston is content to stay on the quiet family ranch with her overbearing brother, Grady. Life on the ranch is busy but lonely, yet Savannah has her passions!particularly for the vintage roses she loves to grow. Then she meets a disenchantd cowboy named Laredo Smith. He’s a stranger to town, and doesn’t plan on staying long, but he may just change Savannah’s life!for the better. Texas Two-Step Ellie Frasier has to take over running the feed store in town after her father’s death. Still in mourning, she relies on her friends for comfort. She was always close with her childhood buddy Glen Patterson, but they never shared [those] feelings for each other. However, the folks around town know a good match when they see one, and Ellie and Glen suddenly find themselves being pushed together more and more often. And now her long-standing friendship feels like it’s turning into something else!

It: Chapter Two!now a major motion picture! Stephen King’s terrifying, classic #1 New York Times bestseller, [a landmark in American literature] (Chicago Sun-Times)\u2014about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers\u2014an evil without a name: It. Welcome to Derry, Maine. It’s a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city’s children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry’s sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including Bag of Bones, Hearts in Atlantis, and 11/22/63. But it all starts with It. [Stephen King’s most mature work] (St. Petersburg Times), [It will overwhelm you!to be read in a well-lit room only] (Los Angeles Times).

The author of Jaws shares his experiences with and knowledge of the many types of sharks and other dangerous sea creatures, providing informed advice on how to be smart and stay safe in the ocean, and how to survive if danger suddenly strikes. Reprint. 50,000 first printing.
