In the fourth mystery in Philip Kerr's New York Times bestselling series, Bernie Gunther—a former policeman and reluctant SS officer—attempts to start over in the aftermath of World War 2 and quickly learns that the past is never far behind you... Berlin, 1949. Amid the chaos of defeat, Germany is a place of dirty deals, rampant greed, and fleeing Nazis. For Bernie Gunther, Berlin has become far too dangerous. After being forced to serve in the SS in the killing fields of Ukraine, Bernie has moved to Munich to reestablish himself as a private investigator. Business is slow and his funds are dwindling when a woman hires him to investigate her husband's disappearance. No, she doesn't want him back—he's a war criminal. She merely wants confirmation that he is dead. It's a simple job, but in postwar Germany, nothing is simple—nothing is what it appears to be. Accepting the case, Bernie takes on far more than he'd bargained for, and before long, he is on the run, facing enemies from every side.

The New York Times bestselling author of the Bernie Gunther novels reimagines the end of World War 2 in this gripping standalone spy thriller. Autumn 1943. Since Stalingrad, Hitler has known that Germany cannot win the war. The upcoming Allied conference in Teheran will set the ground rules for their second front—and for the peace to come. Realizing that the unconditional surrender FDR has demanded will leave Germany in ruins, Hitler has put out peace feelers. (Unbeknownst to him, so has Himmler, who is ready to stage a coup in order to reach an accord.) FDR and Stalin are willing to negotiate. Only Churchill refuses to listen. At the center of this high-stakes game of deals and doubledealing is Willard Mayer, an OSS operative who has been chosen by FDR to serve as his envoy. A cool, self-absorbed, emotionally distant womanizer with a questionable past, Mayer has embraced the

stylish philosophy of the day, in which no values are fixed. He is the perfect foil for the steamy world of deception, betrayals, and assassinations that make up the moral universe of realpolitik. With his sure hand for pacing, his firm grasp of historical detail, and his explosively creative imagination about what might have been, Philip Kerr has fashioned a totally convincing thinking man's thriller in the great tradition of Eric Ambler and Graham Greene.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Science Fiction and Fantasy Literature, A Checklist, 1700-1974, Volume one of Two, contains an Author Index, Title Index, Series Index, Awards Index, and the Ace and Belmont Doubles Index.

Three jobs, no questions. That's the deal Jonathan Quinn—freelance operative and professional “cleaner”—has struck with his client at the Office. But his first assignment in rural Ireland unexpectedly results in four dead bodies to dispose of—and leads him to an astounding mystery about to spin wildly out of control. Now Quinn, along with his colleague and girlfriend, the lethal Orlando, has a new mission: find and protect a U.N. aide worker who has suddenly disappeared from her assignment in war-torn Africa. If it were only that easy. Soon Quinn and Orlando will unearth a horrifying plot that is about to reach stage critical for a gathering of world leaders—and an act of terror more cunning, and more insidious, than anyone can foresee.

Previously published as *Curse of the Boggin*. A fast-paced, thrilling series opener from bestselling author D. J. MacHale. Check out a book—and unlock an adventure! There's a place filled with tales that don't have an ending. Puzzles that won't be solved until someone steps in to finish them. Enter the Library. Marcus and his friends have found the key to open it. And they need to use it, because, clearly, something is up. A strange guy in a bathrobe haunts them; fires rage and flare out in an instant; a peculiar old lady keeps telling them, “Surrender the key. . . .” At first Marcus thinks he's going nuts, until the mystery gets personal. The Library may hold some answers, but the clock is running out. Because on these library shelves, the stories you don't finish might just finish you. . . . Kids love *Surrender the Key (The Library, Book 1)*: “A mysterious, hard-to-put-down book with a twisting plot, funny characters, and haunting souls. I can't wait to hear what adventures they have next.” —A.J. H., age 11 “I read enough in just one day to fill my school reading log for a week.” —Michael C., age 10 “A unique, intriguing book filled with page-turning adventures.” —Madeline H., age 12 “Couldn't put it down. I stayed up reading until 11:00 p.m. with only one thought in my mind: one more chapter!” —Ben H., age 11

This book examines the use of image and text juxtapositions in conceptual art as a strategy for challenging several ideological and institutional demands placed on art. While conceptual art is generally identified by its use of language, this book makes clear exactly how language was used. In particular, it asks: How has the presence of language in a visual art context changed the ways art is talked about, theorised and produced? *Image and Text in Conceptual Art* demonstrates how artworks communicate in context and evaluates their critical potential. It discusses international case studies and draws resources from art history and theory, philosophy, discourse analysis, literary criticism and social semiotics. Engaging the critical and social dimensions of art, it proposes three methods of analysis that consider the work's performative gesture, its logico-semantic relations and the rhetorical operations in the discursive creation of meaning. This book offers a comprehensive method of analysis that can be applied beyond conceptual art.

Three outstanding historical thrillers in one superb volume. Treat yourself to the further adventures of Bernie Gunther, the iconic detective, 'One of the greatest anti-heroes ever written' - Lee Child 'Kerr's Bernie Gunther novels are modern classics' Simon Sebag Montefiore

**THE ONE FROM THE OTHER** Munich, 1949: Amid the chaos of defeat, it's home to all the backstabbing intrigue that prospers in the aftermath of war. A place where a private eye can find a lot of not-quite-reputable work. It's work that fills Bernie with disgust - but it also fills his sorely depleted wallet. Then a woman seeks him out. Her husband has disappeared. She's not looking to get him back - he's a monster. She just wants confirmation that he's dead. It's a simple enough job. But in post-war Germany, nothing is simple.

**A QUIET FLAME** Posing as an escaping Nazi war-criminal, Bernie Gunther arrives in Buenos Aires and, having revealed his real identity to the local chief of police, discovers that his reputation as a detective goes before him. A young girl has been murdered in circumstances that strongly resemble Bernie's final case as a homicide detective with the Berlin police. A case he had failed to solve. The chief of police suspects that the murderer may be one of thousands of ex Nazis who have fetched up in Argentina since 1945. Who better, therefore, than Bernie Gunther to help him track that murderer down?

**IF THE DEAD RISE NOT** - Winner of the CWA Historical Dagger Berlin 1934. The Nazis have been in power for just eighteen months but already Germany has seen some frightening changes. As the city prepares to host the 1936 Olympics, Jews are being expelled from all German sporting organisations - a blatant example of discrimination. Forced to resign as a homicide detective, Bernie is now house detective at the famous Adlon Hotel. Two bodies are found - one a businessman and the other a Jewish boxer. As Bernie digs to discover who killed them, he unearths a plot that finds its violent conclusion twenty years later in pre-revolutionary Cuba.

**Religion, Welfare, and Social Service Provision: Common Ground** delves deeply into the partnerships forged between religious communities, government agencies and nonprofits to deliver social services to the needy. These pages offer a considered examination of how local faith entities have served those in their midst, and how the provision of those services has been impacted by evolving social policies. This foundational volume brings together the work of more than two dozen leading researchers, each providing long overdue scholarly inquiry into religiously affiliated helping and the many possibilities that it holds for effective cooperation.

□The Cleaner has it all: exotic locales, James Bondian derring-do, and ingenious plot twists that will keep you sweating all the way □til the end.□Tess Gerritsen Meet Jonathan Quinn: a freelance operative with a take-no-prisoners style and the heart of a loner. His job? Professional □cleaner.□ Nothing too violent, just disposing of bodies, doing a little cleanup if necessary. But Quinn's latest assignment is about to change everything, igniting a harrowing journey of violence, betrayal, and revenge. The job seemed simple enough: investigating a suspicious case of arson. But when a dead body turns up where it doesn't belong□and Quinn's handlers turn strangely silent□he knows he's in over his head. Quinn's only hope may be Orlando, a woman from his past who could hold the key to solving the case. Suddenly the two are prying into old crimes, struggling to stay alive long enough to unbury the truth. But as the hunt intensifies, Quinn is stunned by what he uncovers: a brilliantly orchestrated conspiracy□with an almost unimaginable goal. Praise for *The Cleaner* □Battles is a compelling new voice in the thriller genre. *The Cleaner* combines the best elements of Lee Child, John le Carré and Robert Ludlum. . . . A stellar debut.□Sheldon Siegel □A brilliant and heart-pounding thriller.□Jeffery Deaver □A tightly written page-turner.□Booklist
