Political Ideals is an essay Bertrand Russell wrote during World War 1 - stay tuned for WW3 - that offers critiques of capitalism, socialism, nationalism, politics, education, and offers insights into how we should go about building a better society. He does this in less than 100 pages. Russell's essay is filled with interesting and insightful ideas.

Political Ideals by Bertrand Russell - Goodreads

Political Ideals is a long lecture that Bertrand Russell was banned from giving (I believe at a university), but which one of his friends read in his stead, and his friend only afterward credited Russell as the writer of the lecture. His friend did this for him because he thought, apparently, the lecture was important enough to give.
