Marriage was the last thing on her mind. Now it may be her only choice. Debutante Lydia Barrington lives a carefree, protected existence on Live Oaks Plantation in Florida. While her sisters happily prepare for their traditional roles as women and talk of courting, Lydia dreams of adventure and independence. She counts the days until she can leave home to explore the world, to dance with cultured gentlemen, to explore politics and art, to leave behind the confining expectations of her family and community-and her God. Even her friendship with handsome Hamilton Scarbrough isn't enough to hold her back...until they dance, and her heart considers love. Confused by her heart's betrayal, Lydia struggles to gain her independence. Then she overhears a private conversation about a business deal that has everything to do with her future. Now she's faced with the biggest decision of her life-to concede or to fight. Either choice will require great sacrifice...and, perhaps, countless rewards. In an attempt to escape her imminent destiny, Lydia scrambles to find a solution-at all costs. Amidst the trials that follow, as Lydia runs out of time, she learns the meaning of sacrifice, forgiveness, hope and faith. Stripped of her future, will she concede or fight? Will she ever be able TO DANCE ONCE MORE? Romance. Scandal. Desperation. Hope.

"The Supercars series explores the history and technology that give supercars their title"--

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. "Domesticity can starve a man's soul, and drifter cowboy Luke Griffin believes in absolute freedom. His gig at the Last Chance Ranch will end soon, and he'll move on. But then Luke gets splashed by a green energy drink from a platform in a tree, and suddenly things get complicated. Naomi Perkins was studying the nesting of a rare pair of bald eagles when she accidentally "baptizes" the delish cowboy. ... But this attraction isn't just mutual--it's fierce enough to send them both tumbling into a no-strings fling"--P. [4] of cover.
