Paired with the market-leading power of the Connect platform, Spiceland-Thomas-Herrmann Financial Accounting will truly illuminate the financial accounting course for each student.

~~Financial Accounting 5th Edition - amazon.com~~

With this 5th edition, readers will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions. The authors follow a "macro- to micro-" strategy by starting with a discussion of real financial statements first, rather than starting with the accounting Cycle.

Advanced Accounting delivers an in-depth, comprehensive introduction to advanced accounting theory and application, using actual business examples and relevant news stories to demonstrate how core principles translate into real-world business scenarios. Clearly defined and logically organized Learning Objectives aid in student comprehension, while highlighted Related Concepts illustrate how individual concepts fit into the larger picture. Short answer questions throughout the chapter allow students to test their knowledge before reaching the more in-depth end-of-chapter questions, promoting a deeper understanding of both technical and conceptual aspects of the field. Written by active accounting researchers, this text brings clarity and flexibility to the central ideas underlying business combinations, consolidated financial statements, foreign currency transactions, partnerships, non-profit accounting and more. This new Seventh Edition has been updated to reflect the latest changes to FASB and GASB standards, allowing students to build a skill set based on up-to-date practices. With a student-oriented pedagogy designed to enhance comprehension, promote engagement, and build real-world understanding, this user-friendly book provides an essential foundation in current advanced accounting methods and standards.

Chapter-Wise Solutions of C.A. PCC Group-I Advanced Accounting These Chapter-wise Solutions books are designed to assist and equip the students with the right kind of study material for C.A. PCC Group-I Advanced Accounting. One can't grasp the subject only at coachings / tuitions, so just after learning a topic in the class a student can prepare the same topic through these books. The Chapter-wise presentation of these very important questions will enable a student to prepare each topic thoroughly and deeply. Moreover, these books will prove highly beneficial for the students studying independently to provide relief from burdensome task of making notes. Now, just plan out your studies with Oswaal series of reference books presto and reach for the maximum results. Salient Features of the Book · Questions from Last 10 Years solved papers · Chapters are strictly according to latest syllabus. · Includes all possible types of questions in each chapter. · These books has been formulated by high profile academics specializing in various disciplines who have endeavored to bring success at your every doorstep, year after year. · The unique feature of this book is that a last 10 years solved papers have been collectively given for every chapter. Other relevant questions have been framed in such a manner that the content of the chapter is completely covered in them.

Financial Accounting provides a comprehensive coverage to course requirements of students appearing in the paper Financial Accounting at BCom, BCom (Hons) examinations of different Indian universities and Foundation Examination (NS) of the Institute of Company Secretaries of India. The book is divided into four sections: Section I explains the fundamental principles necessary for understanding the subject. It covers the entire accounting cycle—from recording of financial transactions to the preparation of final accounts. Section II deals with accounting problems related to certain specific types of business transactions. Section III deals with partnership accounts. Section IV provides suggested answers to recent examinations' questions.

The Fifth Edition of International Accounting provides an overview of the broadly defined area of international accounting, but also focuses on the accounting issues related to international business activities and foreign operations. This edition also includes substantially updated coverage of the

International Accounting Standards Board (IASB) and International Financial Reporting Standards (IFRS). The unique benefits of this textbook include its up-to-date coverage of relevant material, extensive numerical examples provided in most chapters, two chapters devoted to the application of International Financial Reporting Standards (IFRS), and coverage of nontraditional but important topics such as strategic accounting issues of multinational companies, international corporate governance, and corporate social responsibility reporting.

Providing coverage of topics such as relevant costs for decision making, capital budgeting decisions, segment reporting and decentralization, this text offers a glimpse into how real companies use managerial accounting concepts in their practical applications. Authors Eric Noreen, Peter Brewer, and Ray Garrison have crafted a streamlined Managerial Accounting book that is perfect for non-accounting majors who intend to move into managerial positions by focusing on the fundamentals to develop the conceptual framework managers need to succeed. This is done by adhering to the three core standards: FOCUS Noreen/Brewer/Garrison pinpoint the key managerial concepts students will need in their future careers. With no journal entries or financial accounting topics to worry about, students can focus on the fundamental principles of managerial accounting. The manager approach in Noreen allows students to develop the conceptual framework needed to succeed, with a focus on decision making and analytical skills. RELEVANCE Building student interest with its insightful Business Focus vignettes opening each chapter, current In Business examples throughout the text, and tried-and-true end-of-chapter material, students will always see the real-world applicability of Noreen/Brewer/Garrison. BALANCE There is more than one type of business, and so Noreen/Brewer/Garrison covers a variety of business models, including nonprofit, retail, service, wholesale, and manufacturing organizations. Service company examples are highlighted with icons in the margins of the text

An in-depth guide to accounting that reflects the most up-to-date business developments. This comprehensive textbook addresses practical financial reporting problems while reflecting recent business developments and changes in accounting standards. This edition has been rewritten to align with the Financial Accounting Standards Board Accounting Standards Codification.

A Comprehensive and Practical Guide on Assessment of Profits from Business * Emerging trends in assessment of profit. * Challenges to book profit. * Profitability ratios. * Additions and deductions. * Deemed profits and gains. * Export profit. * Presumptive income. * Protective assessment. * Assessment in search and seizure cases under the Block Assessment Scheme as well as under New Assessment Scheme. This book will help in developing skills for determination of profit that is charged to income-tax. It is useful for tax administrators, tax consultants and taxpayers as a handy reference book on the subject.

The approach used by Hoyle, Schaefer, and Douppnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.
