Songmaster Orson Scott Card
Songmaster (1980) is a science
fiction novel by Orson Scott Card.
The story of the Songmaster
occurs in a future human empire,
and follows Anset, a beautiful
young boy whose perfect singing
voice has the power of amplifying
people's emotions, making him

both a potential healer and
destroyer.

Songmaster - Wikipedia

I've read and enjoyed most of
Orson Scott Card's books.

'Songmaster' is not an exception.
It's funny, though, that although
many of Card's novels contain
dark elements and portray gentle
people who are compelled by
circumstances or their own moral
decisions to commit acts of great
violence, this particular novel was
really harrowing to read. Ansett,
the novel's protagonist, is similar
in many ...

Orson Scott Card is a master storyteller, who has earned millions of fans and reams of praise for his previous science-fiction and fantasy works. Now he steps a little closer to the present day with this chilling look at a near-future scenario: a new American Civil War. The American Empire has grown too fast, the fault lines at home are stressed to the breaking point, and the war of words ...
