90 Monster Big Bore Kit - Revolution Performance

These heads are used in higher-performance 98-107 engines when folks are looking for more than your friends have, from the "other" guys. We have used these in 117 applications as well. Very good cylinder head that'll run at just about 165-167 cfm @ 10" @ .600" lift with outstanding velocity in the low-lift areas as well.
