'The Little White Horse was my favourite childhood book. I absolutely adored it. It had a cracking plot. It was scary and romantic in parts and had a feisty heroine.' - JK Rowling - The BooksellerWinner of the Carnegie Medal in 1946 and J.K. Rowling's favourite childhood book. This bestselling favourite fantasy classic is (one of the most of the most magical stories in the world.) - The Independent. This is the story of a thirteen-year-old orphan, a Moon Princess, and a mysterious white horse.Maria Merryweather, a plain London orphan, is sent to Moonacre Manor to live with her only surviving relative, Sir Benjamin. Her initial sense of comfort starts to crumble when she learns an ancient mystery haunts Moonacre Manor and all who live in Moonacre Valley. With the help of her new friend Robin, can Maria right the wrongs of her ancestors and finally restore the peace to Moonacre Valley before it's too late?Beautiful, thrilling, and magical, The Little White Horse is a timeless classic.

Melissa Anelli can truly say that Harry Potter changed her life. An unemployed graduate when she first fell under the boy wizard's spell, her growing passion for the books opened the door to a career which must surely be the envy of every Potter fan, giving her privileged access not only to J.K. Rowling but to all the VIPs of the Potterverse. Now, looking back in the aftermath of the seventh and final instalment of the saga, Harry: A History is both a thoroughly entertaining study of the global impact Potter has had on popular culture, and an engaging personal account of Melissa's own journey as a fan. As well as knowing everyone who is anyone in the world of Harry Potter -- from the agent who first took a leap of faith in an unknown children's author to the stars, big and small, of the Harry Potter films -- Melissa is ideally placed to write about how it feels to be enraptured by an invented world. Anyone with the least interest in how Harry Potter became the cultural phenomenon of its time will welcome her insights into its rise and rise; while Potter fans will love her book -- because she is one of them.

Ten essays cover a wide range of topics including: the relationship of Milton's Satan to Marlowe's work; the two natures of Christ in Paradise Regained; and Milton's influence in the panorama of American literature.

The first history and analysis of the Asian American Movement.
