Class Excerpt Street Journal Guide Information Graphics

A good practical guide to information graphics, with very specific practice ideas and tips for the design of graphics. It is not all supported by perceptual evidence from vision science, so some of the tips are at odds with current thinking on vision, but overall very practical and useful as a day to day reference source.

The Wall Street Journal Guide to Information Graphics: The ...

The WSJ Guide to Information Graphics is an essential read for anyone whose job involves presentation of data and information. The book reads like a style guide, providing underlying methods for creating clear and informative charts and information graphics. Dona Wong was a former student of two designers I admire, Paul Rand and Edward Tufte.
