Teacher's Pack for busy instructors with: • Suggested bonus activities • Teaching notes • Answer keys • Audioscripts • Simulated TOEFL Listening Test for each unit This interactive listening-speaking series prepares students for the challenges of college lectures with a wide range of listening, speaking, and note-taking strategies and skills. The lectures are drawn from a range of academic disciplines and reflect authentic lecture settings, featuring engaging instructors and live student audiences.

Now in a fourth edition, Contemporary Topics expands on its highly respected approach to developing academic listening and study skills. Organized around realistic college lectures, the text guides learners through carefully sequenced activities in skills such as note-taking, focusing attention, intensive listening, and vocabulary building. It also helps students evaluate their interests and explore possible career paths. New to This Edition New subject areas, presented as one-on-one academic lectures, emphasize professional applications such as software engineering, multimedia design, information technology, urban planning, and social psychology. Learning Outcomes listed at the outset of each unit let students know the goals of each unit and what their learning experience will be. New audio interviews with topic experts provide context for the upcoming unit lecture. Bottom-up listening and pronunciation exercises emphasize important principles and improve real-time perception. An oral presentation activity, supported by specific preparation and delivery strategies, concludes each unit and includes the opportunity for peer evaluation. Proficiency assessments composed of short academic audio lectures and multiple-choice exams simulate TOEFL-style test format for practice on high-stakes tests. New Essential Online Resources include audio, video, and teacher materials (assessments, teaching notes, answer keys, audioscripts, presentation points, and more). Other Highlights Corpus vocabulary drawn from the Academic Word List ensures that students are exposed to core academic vocabulary. Collaborative activities with presentation strategies and peer evaluations allow students to make connections and develop critical thinking skills. Unit comprehension tests assess students' grasp of key concepts presented in the unit lecture. Mapped to the Global Scale of English.

Provides an intermediate level book for students to develop the listening and note-taking skills they need.

Academic English is an EAP Course Book & Syllabus, including IELTS Practice sections. It combines a comprehensive syllabus and reliable teaching resources, work book exercises, and complete resource lists, making it the primary text for EAP teachers and students alike, both as a study guide for students, and a source book for teachers. This course book has been designed for the International Student wishing to study Academic English and seeking to achieve a level that will gain Direct Entry into a college or university of choice in a Western country like Australia, the United Kingdom, or the United States of America. It is also designed for students who wish to bring their level of English up to an acceptable International Standard, but not necessarily wishing to go overseas for further study. The lesson structure has been designed by a team of professional IELTS and Academic English teachers, and is enhanced by a set of published resources readily available in most countries of the world.

This outstanding three-title series prepares college-bound ESL students to understand academic lectures in English. Each text equips students for the challenges of college and university study by helping them listen selectively, take notes, review key ideas, retain information, and apply what they have learned. Twelve recorded lectures in each level are performed in lively and natural styles to provide a motivating introduction to academic listening. Lectures cover a wide range of thought-provoking contemporary topics. Controlled, realistic note-taking practice, ample pre-listening activities, vocabulary preview, post-lecture tests, and a wealth of illustrations also aid student understanding. Audiocassettes offer full lectures, presented both divided into parts and in their entirety. Each book offers the following features: -- Topic preview -- Vocabulary preview -- Identifying main ideas and supporting details -- Note-taking skills -- Review and post-listening tests -- Application of ideas through post-listening activities
