My kids love dinosaurs and the Berenstain Bears so I figured they'd love this book. And it's great. But as an adult,

the holes in the plot  
bother me. Like the  
Bear family lives in the  
country and they decide  
to visit the local  
museum where there is  
VERY  
CONVENIENTLY a  
dinosaur dig going on  
right behind the  
museum. In a big sandy  
pit. In the country.
