An eleven-year-old boy searches for six magical signs in order to save the world from the threatening evil of the Dark.

Follows the story of William, an eleven-year-old boy who is the seventh son of a seventh son, as he searches for six magical amulets in order to save the world from the threatening evil of the Dark.

The first volume of Susan Cooper's brilliant and absorbing fantasy series, The Dark Is Rising. On holiday in Cornwall, the three Drew children discover an ancient map in the attic of the house that they are staying in. They know immediately that it is special. It is even more than that -- the key to finding a grail, a source of power to fight the forces of evil known as the Dark. And in searching for it themselves, the Drews put their very lives in peril.

Susan Cooper's brilliant Dark is Rising sequence has enthralled readers since the first book, Over Sea, Under Stone, was published more than forty years ago. The second book, The Dark is Rising, was named a Newberry Honor Book and is now a major motion picture. The fourth, The Grey King, won the Newbery Medal. This handsome boxed set includes all five books in the celebrated sequence.

Simon, Jane, and Barney, enlisted by their mysterious great-uncle, arrive in a small coastal town to recover a priceless golden grail stolen by the forces of evil -- Dark. They are not at first aware of the strange powers of another boy brought to help, Will Stanton -- nor of the sinister significance of the Greenwich, an image of leaves and branches that for centuries has been cast into the sea for good luck in fishing and harvest. Their search for the grail sets into motion a series of distubing, sometimes dangerous events that, at their climax, bring forth a gift that, for a time at least, will keep the Dark from rising.

This is the fifth and last book in "The Dark Is Rising" sequence. The Dark is rising in its last and greatest bid to control the world. The servants of the light: Will Stanton, the last of the Old Ones, the mysterious Professor Merriman, and the strange albino Welsh boy, Bran, are helped by three ordinary children in this last desperat battle.

Epic. Bestselling. Award-winning. The complete Dark Is Rising Sequence is now available as one keepsake collection. Will Stanton’s ordinary life is shattered with the dreadful revelation that the Dark—the source of all evil—is rising in its last and greatest bid to control the world. He finds that he is no ordinary boy, but the last-born of the Old Ones, immortals dedicated to keeping mankind free from the Dark. Soon Will is swept up in the great battle, along with his ageless master, Merriman; the three Drew children, who are mortal but have their own vital part to play; and a strange boy named Bran. These six fight fear and death in a quest through time and space interwoven with the most ancient myths of the islands of Britain—until, at last, Will and Bran find the weapon that will ultimately vanquish the Dark. One of the most celebrated fantasy sequences of all time, The Dark Is Rising is a searing, epic rendering of the eternal conflict between good and evil. This complete collection includes Over Sea, Under Stone; The Dark Is Rising; Greenwich; The Grey King; and Silver on the Tree.

A strange boy and dog remind Will Stanton that he is an immortal, whose quest is to find the golden harp which will rouse others from a long slumber in the Welsh hills so they may prepare for the ultimate battle of Light versus Dark.

Susan Cooper's brilliant and award-winning fantasy sequence - the fourth volume of which, The Grey King, won the Newbery Medal - republished in a classic single volume to mark the 50th anniversary.
