NEW YORK TIMES BESTSELLER • “A simply elegant memoir.”—Newsweek In this exquisitely written memoir, Mia Farrow takes us on a journey into her remarkable life. As the daughter of actress Maureen O’Sullivan and film director John Farrow, she lived what was by all appearances a charmed a privileged childhood. But below the surface, money troubles, marital tensions, drinking, and occasionally violence marred the Hollywood illusion. And when Mia was nine, she would be forever wrenched from childhood by the terrible isolation of a bout with polio. Her father’s death propelled her out into the world, where she embarked onto an acting career that included television, theater, and film—from her debut in Peyton Place to her first starring role in Rosemary’s Baby, and on to her thirteen films with Woody Allen. Here is a luminous memoir of childhood and motherhood, a thoughtful exploration of a spiritual journey, and a candid examination of her marriages to Frank Sinatra and André Previn and her close but troubled twelve-year relationship with Woody Allen. Told with grace and deep understanding, as well as humor, What Falls Away is an unforgettable book, an extraordinary record of an extraordinary life. Praise for What Falls Away “Compelling and convincing . . . a story of survival.”—Chicago Tribune “A beautifully written memoir . . . about complex people and issues.”—The Atlanta Journal “A juicy book and a good one.”—Time “Farrow’s book possesses an elegance of prose and sensibility that elevates it way beyond the typical gorefest of sex, gossip, and betrayal.”—USA Today “A stellar new memoir . . . it’s all there, every wondrous, scandalous, inhumanely difficult thing.”—Mirabella “Mia Farrow tells the story of her fascinating life with uncommon grace and insight.”—William Styron “Word by word, page by page, we’re convince. We believe her.”—Newsday “One of the best writers to ever come out of Hollywood. She writes with extraordinary wit and polish. This is good news from Frank Sinatra, André Previn, and the hundreds of other celebrities who make cameo appearances in her fabulous life, but it is very bad news for Woody Allen.”—Pat Conroy
