~~The poem, ' Love's Growth ', is an admirable lyric in which Donne examines the true nature of love and finds that it is mixed stuff, a mixture of both physical and spiritual elements. True love is both of the body and the mind, and to prove his point Donne gives a number of arguments and brings together a number of most disparate and varied elements.~~

~~A lack of love, emotional warmth and physical contact basically slows down the growth mechanisms in the brain and body. For instance, human growth hormone is produced in smaller amounts when there's not enough love around. It's like the genetics of the children quickly adapt to their environment.~~

~~Why Children Need Love to Grow | David R Hamilton PhD~~

~~When we grow, it is because we are working at it, and we are working at it because we love ourselves. It is through love that we elevate ourselves. And it is through our love for others that we assist others to elevate themselves. Love, the extension of the self, is the very act of evolution. It is evolution in progress.~~
