The Heresy Within (The Ties that Bind, #1) by Rob J. Hayes

The Ties that Bind, that begins with The Heresy Within, tells the story of a crew of cutthroats, priests and ladies of dubious standing. I was pleasantly surprised as the story builds from a few different perspectives that sometimes intersect and diverge. So, to summarize, a little slow at first, setting the stage.

The Heresy Within The Ties that Bind book 1 (First - Amazon.com)

When there are no heroes left, it's up to the villains to save the world. Even the best swordsman is one bad day away from a corpse. It's a lesson Blademaster Jezzeta Vel'urn isn't keen to learn. Chased into the Wilds by a vengeful warlord, Jezzeta makes it to the free city of Chade. But instead of sanctuary all she finds are more enemies from her past. Arbiter Thanquil Darkheart is a witch hunter for the Inquisition, on a holy crusade to rid the world of heresy. He's also something else: expendable. When the God Emperor gives Thanquil an impossible task, he knows he has no choice but to venture deep into the Wilds to hunt down a fallen Arbiter. The Black Thorn is a cheat, a thief, a murderer and worse. He's best known for the killing of several Arbiters and every town in the Wilds has a WANTED poster with his name on it. Thorn knows it's often best to lie low and let the dust settle, but some jobs pay too well to pass up. As their fates converge, Jezzeta, Thanquil, and the Black Thorn will need to forge an uneasy alliance in order to face their common enemy. Pick up this fantasy spaghetti western today!

Not everyone has a destiny. Separated and miserable, Thanquil Darkheart and Jezzeta Vel'urn both have their reasons for wanting to leave the Dragon Empire. Jezzeta flees from the wrathful fury of an Empress scorned while accompanied by the ever insidious Drake Morrass and Thanquil sets out to find and judge his one heretical loose end.

Beaten, battered, and damned near broken with a bounty on his head so large he's tempted to turn himself in, the Black Thorn finds himself on trial for the crime of being him. Despite the impending probability of death he has but one thought on his mind; taking revenge against the Arbiter who took his eye. In order to carry out his vengeance Thorn must first escape Sarth and recruit a new crew, each one with their own designs on revenge. See why Fantasy Book Critic says, "Rob J. Hayes is the next fantastic Brit addition to the field of dark, gritty fantasy and another Indie gem after last year's Anthony Ryan."

Winner of Mark Lawrence's 3rd Self Published Fantasy Blog Off Finalist in BookNest's 2017 Fantasy Awards Nominated for a r/Fantasy Best of 2017 Stabby Award Everyone knows Drake Morrass is only out for himself. As the fires of a dying city burn on a distant shore, Drake sees an opportunity to unite the other pirate Captains under his flag and claim himself a crown. If he is to succeed he will need allies and credibility. Who better than gentleman pirate, Keelin Stillwater, renowned for taking ships without

bloodshed, as well as his skill with a sword. Enemy ships sail their waters, setting the Pirate Isles ablaze. The sinister Tanner Black threatens to steal the throne before Drake has even sat in it. Now Drake must somehow convince the other pirate Captains that his best interests are also theirs. Dive into this swashbuckling adventure today!

Whose Middle Ages? is an interdisciplinary collection of short, accessible essays intended for the nonspecialist reader and ideal for teaching at an undergraduate level. Each of twenty-two essays takes up an area where digging for meaning in the medieval past has brought something distorted back into the present: in our popular entertainment; in our news, our politics, and our propaganda; and in subtler ways that inform how we think about our histories, our countries, and ourselves. Each author looks to a history that has refused to remain past and uses the tools of the academy to read and re-read familiar stories, objects, symbols, and myths. Whose Middle Ages? gives nonspecialists access to the richness of our historical knowledge while debunking damaging misconceptions about the medieval past. Myths about the medieval period are especially beloved among the globally resurgent far right, from crusading emblems on the shields borne by alt-right demonstrators to the on-screen image of a purely white European populace defended from actors of color by Internet trolls. This collection attacks these myths directly by insisting that readers encounter the relics of the Middle Ages on their own terms. Each essay uses its author's academic research as a point of entry and takes care to explain how the author knows what she or he knows and what kinds of tools, bodies of evidence, and theoretical lenses allow scholars to write with certainty about elements of the past to a level of detail that might seem unattainable. By demystifying the methods of scholarly inquiry, Whose Middle Ages? serves as an antidote not only to the far right's errors of fact and interpretation but also to its assault on scholarship and expertise as valid means for the acquisition of knowledge.

The Pirate Isles are united under Drake Morrass' flag, but the war has only just begun. There's still a long way to go before he's able to call himself King, and traitors at every turn. The Five Kingdoms and Sarth have assembled a fleet of ships unlike any the world has ever seen and they intend to purge the Pirate Isles once and for all by fire and steel. Revenge, never far from Keelin Stillwater's mind, is finally within his grasp and he sets sail to the Forgotten Empire. But more than dense jungles and ruined cities await him there. Vengeful gods and malignant spirits now call those cursed lands home, and they are not wisely disturbed. Meanwhile, Elaina Black tries to secure herself powerful allies and the forces those allies can spare. She's set her course on the throne: either by Drake's side or over his dead body.

"Chases, duels, romance, airships and a fortune to be won or lost." – Fantasy Book Review One last job! Jacques Revou and Isabel de Rosier are at the height of their careers. Of course those careers are as professional charlatans, thieves without peer. With the completion of their final heist, they decide it's time to retire and settle down. But they have not escaped unnoticed. The king's spymaster, Renard Daron, has a job for the thieves, one only they can perform, and he does not take no for an answer. With the threat of destitution and death hanging over their heads, Jaques and Isabel must take on their greatest roles yet, the Baron and Baroness Bonvillain. Can they ferret out the treasonous elements within the government? Can they escape the clutches of the nefarious Seigneur Daron? Can they regain the fortune so unfairly taken from them? And, can they finally complete their one last job?

"I am Ana. I was the wife of Jesus." So begins the new novel from the number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings*, an extraordinary story set in the first century about a woman who finds her voice and her destiny in a time of great despair and great hope. In her fourth work of fiction, Sue Monk Kidd brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family in Sepphoris with ties to the ruler of Galilee, she is rebellious and ambitious, a relentless seeker with a brilliant, curious mind and a daring spirit. She yearns for a pursuit worthy of her life, but finds no outlet for her considerable talents. Defying

Get Free The Heresy Within Ties That Bind 1 Rob J Hayes

the expectations placed on women, she engages in furtive scholarly pursuits and writes secret narratives about neglected and silenced women. When she meets the eighteen-year-old Jesus, each is drawn to and enriched by the other's spiritual and philosophical ideas. He becomes a floodgate for her intellect, but also the awakener of her heart. Their marriage unfolds with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, James and Simon, and their mother, Mary. Here, Ana's pent-up longings intensify amid the turbulent resistance to the Roman occupation of Israel, partially led by her charismatic adopted brother, Judas. She is sustained by her indomitable aunt Yaltha, who is searching for her long-lost daughter, as well as by other women, including her friend Tabitha, who is sold into slavery after she was raped, and Phasaelis, the shrewd wife of Herod Antipas. Ana's impetuous streak occasionally invites danger. When one such foray forces her to flee Nazareth for her safety shortly before Jesus's public ministry begins, she makes her way with Yaltha to Alexandria, where she eventually finds refuge and purpose in unexpected surroundings. Grounded in meticulous historical research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place, and culture devised to silence her.
