Any whom he does catch is dragged off to Ithaqua's true home, the ice planet of Borea, to swell his growing band of worshipers. Here, he will attempt to mate with any females by inserting a psychic "seed" into the womb, which will develop into his offspring, in an effort to create children whose abilities will outstrip his own.

An ongoing theme in Lovecraft's work is the complete irrelevance of mankind in the face of the cosmic horrors that exist in the universe, with Lovecraft constantly referring to the "Great Old Ones": a loose pantheon of ancient, powerful deities from space who once ruled the Earth and who have since fallen into a deathlike sleep.. Lovecraft named several of these deities, including Cthulhu ...

Online Library The Ithaqua Cycle

This fantasy anthology opens with the tale of the elusive, utterly supernatural Ithaqua which roams the North Woods and the wastes beyond striking fear in hunters and travelers. Also included are three stories by August Derleth, and a spectrum of contemporary authors including Brian Lumley, Stephen Mark Rainey, and Pierre Comtois.

Price offers ten new tales and three reprints concerning H.P. Lovecraft's Innsmouth, a seedy little town on the north shore of Massachusetts--home to the hybrids who live there, the strange city rumored to exist nearby under the sea, and those who nightly lurch and shamble down fog-bound streets.

This volume of stories and poems

Online Library The Ithaqua Cycle

illustrates the ubiquitous presence of Nyarlathotep, the mighty messenger of the Outer Gods, and shows him in several different guises. The 13 stories include a Lin Carter novella.

First published in 1910, 'The Wendigo' is a horror short story by English author Algernon Blackwood. "A considerable number of hunting parties were out that year without finding so much as a fresh trail; for the moose were uncommonly shy, and the various Nimrods returned to the bosoms of their respective families with the best excuses the facts of their imaginations could suggest. Dr. Cathcart, among others, came back without a trophy; but he brought instead the memory of an experience which he declares was worth all the bull moose that had ever been shot.

Online Library The Ithaqua Cycle

But then Cathcart, of Aberdeen, was interested in other things besides moose—amongst them the vagaries of the human mind. This particular story, however, found no mention in his book on Collective Hallucination for the simple reason (so he confided once to a fellow colleague) that he himself played too intimate a part in it to form a competent judgment of the affair as a whole..." -Preface

The late Lin Carter was a prolific writer and anthologist of horror and fantasy with more than 80 titles to his credit. This is the first collection of Carter's Mythos tales. It includes his intended novel, "The Terror Out of Time."

"The oldest and strongest emotion of mankind is fear, and the oldest and

Online Library The Ithaqua Cycle

strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature"

Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. In *Tales of the Cthulhu Mythos*, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set

significant to readers and fans of H.P. Lovecraft.

The stories in this book evoke a tracery of evil rarely rivaled in horror writing. They represent the whole evolving trajectory of such notions as Hastur, the King in Yellow, Carcosa, the Yellow Sign, the Black Stone, Yuggoth, and the Lake of Hali. A succession of writers from Ambrose Bierce to Ramsey Campbell and Karl Edward Wagner have explored and embellished these concepts so that the sum of the tales has become an evocative tapestry of hypnotic dread and terror, a mythology distinct from yet overlapping the Cthulhu Mythos. Here for the first time is a comprehensive collection of all the relevant tales.

Online Library The Ithaqua Cycle

For more than 80 years H. P. Lovecraft has inspired writers of horror and supernatural fiction with his dark vision of humankind's insignificant place in a vast, uncaring cosmos. At the time of his death in 1937, Lovecraft was virtually unknown, but from early cult status his readership expanded exponentially; his nightmarish visions laying down roots in the collective imagination of his readers. Now this master of the macabre is accepted as part of the literary mainstream, as an American author of note, and the impact of his work on modern popular culture - in literature, film, television, music, the graphic arts, gaming and theatre - has been profound. As Stephen King wrote in *Dance Macabre*, the shadow of H. P. Lovecraft 'underlies almost all of the

Online Library The Ithaqua Cycle

important horror fiction that has come since.' Today, Lovecraft's themes of cosmic indifference, the utter insignificance of humankind, minds invaded by the alien, and the horrors of history remain not only viable motifs for modern speculative fiction, but are more relevant than ever as we explore the mysteries of a universe in which our planet is infinitesimal. This outstanding anthology of original stories - from both established award-winning authors and exciting new voices - collects tales of cosmic horror inspired by Lovecraft from authors who do not merely imitate, but reimagine, re-energize, and renew the best of his concepts in ways relevant to today's readers, to create fresh new fiction that explores our modern fears and nightmares. From the depths of

Online Library The Ithaqua Cycle

R'lyeh to the heights of the Mountains of Madness, some of today's best weird fiction writers traverse terrain created by Lovecraft and create new eldritch geographies to explore . . .

Wise Praise for the editor: 'For fans of Lovecraftian fiction and well-wrought horror' - Library Journal 'Guran smartly selects stories that evoke the spirit of Lovecraft's work without mimicking its style.' -

Online Library The Ithaqua Cycle

Publishers Weekly 'It's a pretty impressive line-up, with nary a clunker to be found. . . . You don't have to be a Lovecraft fan to enjoy this anthology... You'll find alienation, inhumanity, desperation, cruelty, insanity, hopelessness and despair, all set against the backdrop of a vast, unknowable universe filled with vile, indifferent monstrosities. You'll also find beauty, hope, redemption, and the struggle for survival. What more can you ask for?' - Tor.com 'I highly recommend this collection... If you have even the slightest interest in contemporary horror fiction, you'll want to try this one on for size!' - BookGuide

Can a god be a pet? Even a devil-god who relishes human sacrifice? It is hard to deny that for his creator and

Online Library The Ithaqua Cycle

godfather, Clark Ashton Smith and H. P. Lovecraft, Tsathoggua was exactly that. They found the Saturnian-Hyperborean-N'klaian toad-bat-sloth-deity as cute and adorable as horrific, and this strange ambivalence echoes throughout their various tales over which Great Tsathoggua casts his batrachian shadow! Some are droll fables of human foibles; others are terrifying adventures of human delvers who perish in the fire of a religious fanaticism fully as awful as its super-sub-human object of worship. Tsathoggua has inspired many types of stories in many moods. And not just by Smith and Lovecraft! In this arcane volume you will read Tsathogguan tales old and new by various writers, chronicling the horrors of the amorphous amphibian's descent into new decades and deeper

Online Library The Ithaqua Cycle

waters. The mere fact that such a thing is possible attests mightily the power of the modern myth of Tsathoggua, and the men who created him! This book is part of an expanding collection of Cthulhu Mythos horror fiction and related topics. Call of Cthulhu fiction focuses on single entities, concepts, or authors significant to readers and fans of H.P. Lovecraft. Contents and authors in order --
