This book is all about pushing the limits of salad and incorporating a vegetable-forward philosophy into everyday life. In the opening manifesto, Rosen—who launched the popular salad bar at NYC's City Bakery—delves into the foundational elements of a good salad and suggests some pantry staples and tools. From there, the recipes are divided up by season, which makes it easy to hone in on the produce in season when you want to eat.

The Salad Book – The Real Review

The Salad Book. Belinda Jeffery. Lantern, 2016. Although this is called a salad book, I use the term 'salad' loosely, for as you will see, in my mind salads encompass so many types of dishes: vibrant side salads that often outshine their companions; breakfast salads, that keep us nourished all day long in body and spirit; appetite-whetting brunch or lunch salads; and then of course there is a huge range of main course salads – some pared-back and elegant, others a riot of colour ...

Belinda Jeffery takes her culinary inspiration from the impressive array of locally grown produce, available to her through farmers' markets, friendly neighbours and of course her own garden. With her trademark love of good food prepared simply, Belinda constantly finds new and surprising ways to bring seasonal flavours and textures together. And this imaginative new collection is no exception. These days, salads can go far beyond a quiet dish on the side. Belinda shows that they may be enjoyed at any time of the day, from fig, bocconcini, rocket and frizzled smoked pancetta salad for brunch, herb-roasted chicken, fried bread and watercress salad for dinner, and a stunning dragon fruit, peach and lychee compote with brown sugar yoghurt to finish. So whether you are looking for something pared-back and elegant or a riot of colour jumping off the plate, you are bound to find the right salad for every season. Delicious food, cooked with love. What could be better?

The creator of the immensely popular Salad for President blog presents a visually rich collection of more than 75 salad recipes, with contributions and interviews by artists/creative professionals like William Wegman, Tauba Auerbach, Laurie Anderson, and Alice Waters. Julia Sherman loves salad. In the book named after her popular blog, Sherman encourages her readers to consider salad an everyday indulgence that can include cocktails, soups, family style brunch dishes, and dinner-party entrées. Every part of the meal is reimagined with a fresh, vegetable obsessed perspective. This compendium of savory recipes will tempt readers in search of diverse offerings from light to hearty: Collard Chiffonade Salad with Roasted Garlic Dressing and Crouton Crumble, Heirloom Tomatoes with Crunchy Polenta Croutons, or Flank Steak and Bean Sprouts with Miso-Kimchi Dressing. On the lighter end there are Grilled Hearts of Palm with Mint and Triple Citrus, Persimmon Caprese, and fresh Blood Marys. The recipes, while not exclusively vegetarian, are vegetable-forward and focused on high-quality seasonal produce. Sherman also includes insider tips on pantry staples and growing your own salad garden of herbs and greens. Salad—with its infinite possibilities—is a game of endless combinations, not stifling rules. And with that in mind, Salad for President offers a window into how artists approach preparing their favorite dishes. She visits sculptors, painters, photographers, and musicians in their homes and gardens, interviewing and photographing them as they cook. Utterly unique in its look into the worlds of food, art, and everyday practices, Salad for President is at once a practical resource for healthy, satisfying recipes and an inspiring look at creativity.

Discover 260 hearty, flavorful, and beautiful salads that can be prepared in a flash with little more than a knife and a cutting board. Determined to eat more vegetables for lunch, David Bez embarked on a personal challenge to create one new salad every day using seasonal, healthy ingredients. In Salad Love, he shares his favorite recipes from his yearlong experience. Crunchy, savory, and incredibly satisfying, these salads go beyond your typical combination of lettuce, protein, and toppings to create vibrant, plant-based meals that offer something for every palate. In summer, try Oak-Smoked Cheddar, Peaches, and Blueberries; for fall, savor hearty Roast Chicken, Quinoa, Red Pepper, and Peanuts; in winter, fuel up with Ham, Roasted Potatoes, Carrots, and Dried Cranberries; and in spring, enjoy Egg, Asparagus, Croutons, and Pecorino. Complemented by 280 full-color photographs, Salad Love invites to you explore inspired salads any day of the year.

Juana Medina's ingenious illustrations nearly pop off the page in her new counting book, ONE BIG SALAD. One avocado deer saunters across the spread, two radish mice scurry by, until finally ten clementine kitties prance onto the scene - all of the ingredients in one big salad! Medina's previous book with Viking, SMICK!, introduced her to the children's book world, and now she's bringing her fresh and innovative take on the concept book form.
