The Silent Boy by Lois Lowry draws you into the life and mindset of Katy Thatcher, a young girl growing up in the early 1900's. Katy narrates this story as an older woman (in 1987), but she does so completely from the perspective of the young child that she was at the time. Curious, innocent, and compassionate, Katy grows up as the only daughter of the town's doctor (later in the story her younger sister is born).

The Silent Boy - Wikipedia
The Silent Boy (2003) is a young adult historical fiction novel written by Lois Lowry. Lowry is most famous for writing *The Giver*, which won the Newberry Medal in 1994. A series of photos inspired Lowry to write *The Silent Boy*, and these grainy, somber images appear throughout the book at the beginning of each chapter, firmly rooting the novel in the early 1900s.

The ending of The Silent Boy was very unexpected. I was shocked that Jacob, an autistic boy, was sentenced to life in the Asylum. The ending touched me when it showed how badly mentally disabled people were treated and misunderstood back then. The ending was very sad. Lois Lowry definitely hit a grand slam with this book.
