earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

In *The Four Agreements*, a New York Times bestseller for over 7 years, Ruiz revealed how the process of our education, or "domestication," can make us forget the wisdom we were born with. Throughout our lives, we make many agreements that go against ourselves and create needless suffering. *The Four Agreements* help us to break these self-limiting agreements and replace them with agreements that bring us personal freedom, happiness, and love. In *The Fifth Agreement*, don Miguel Ruiz joins his son don Jose Ruiz to offer a fresh perspective on *The Four Agreements*, and a powerful new agreement for transforming our lives into our personal heaven. *The Fifth Agreement* takes us to a deeper level of awareness of the power of the Self, and returns us to the authenticity we were born with. In this compelling sequel to the book that has changed the lives of millions of people around the world, we are reminded of the greatest gift we can give ourselves: the freedom to be who we really are.

What are we giving our children? Toys, proper manners, entertainment, sports, schooling, safety, and even the knowledge of a higher power... but all this love still has left many of our children incomplete at the threshold of creativity... In this book you will discover a map that teaches you how to guide your children to be aware of their untapped possibilities through "Seeing". This book reveals for the very first time, the ancient Toltec system of "not-doing" with your children. It frees the limited scope of contemporary activities and turns a simple walk into a wonderland of creation. We have all been waiting and wishing to share magic with our children. With this book, Ayakel has made our collective wish come true!

Don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. He shows us how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore the spirit of playfulness that is vital to loving relationships.

"*The Voice from Inside*" is the first book by professional speaker John Wannamaker. The book is about finding yourself in the midst of heartache, turmoil, break-up and failure and then how to redefine yourself with new knowledge. This book is a collection of his best blogs and the blogs he refused to publish during his time in federal prison. He captures the transparency angle of prison and tells of how the prison system is a microcosm of our society (families, neighborhoods and cities). These thought-provoking entries open your mind to other areas of thought. "You know what you know, you know what you don't know, but you don't know, what you don't know," is how John views the ideas expressed in this book. You can use this book for your own life and any problem you may encounter by allowing the ideas and suggestions expressed to open your mind to different views and angles that will allow you to solve your own issues, whether inside prison or living a normal life of freedom. John uses his personal struggles, witty-humor, intelligent thoughts and obscure views to detail the days of struggle he faced. He gives the candid presentation of what is before him and how it starkly parallels to the issues facing our daily lives outside of confinement. *The Voice from Inside* is a book that details his voice from within the federal prison walls and also from within a man who is a believer in God, a believer in life, and a believer in helping others through the darkness. This book will invigorate your thoughts, create a conversation, and provide a snapshot view of areas which need collective attention and transparency only truly conscious people can provide. If you are a do-er or thinker, this book is a catalyst for change.
