Having a roommate at elite Waverly Academy means nightly sleepovers and double the designer wardrobe. But Callie Vernon never really liked late-night girl talk or swapping cashmere sweaters with her younger, rosy-cheeked roomie, Jenny Humphrey. So when Jenny stole her longtime boyfriend, Easy Walsh, Callie didn't feel that guilty about turning right around and kissing him behind Jenny's back. Okay, maybe a little guilty, but it certainly didn't stop her from enjoying it. Now, if only Easy would stop being so irritatingly indecisive and dump Jenny already! While the two roommates are sharing a boyfriend, the rest of Dumbarton's residents are sharing their feelings at the newly founded Women of Waverly club--aka, WOW! Everyone is totally bonding, revealing their most personal secrets, and hugging out their past rivalries. But despite the sharing-is-caring vibe, there are some things these girls aren't spilling--like who's making special late-night trips to the crater . . . and with whom. Now it's only a matter of time before all the newfound girl power explodes into a massive girl fight. But this battle goes well beyond the ivy colored brick walls of Dumberton--it's about who will be Waverly's next It Girl.

History books burst at the seams with stories about Houston, Travis, Crockett and other icons of Texas history. Yet many of the Lone Star State's fascinating figures--well known in life but forgotten in death--remain obscure by omission. This scintillating company includes a World War I spy who became a movie star, the first gringo matador, a West Texas tent showman and the husband-and-wife trick-shot act that amazed audiences for forty years. Some characters cut across the common narrative, like the admiral whose advice might have prevented the attack on Pearl Harbor, the one and only Republican congressman in the first half of the twentieth century, the Klansman Texans elected to the U.S. Senate and the businessman who wrote the longest English-language novel in complete secrecy. Popular columnist and author Bartee Haile brings to life some of the most intriguing Texans who ever slipped through the cracks of history.

**BONUS:** This edition contains an excerpt from Mary Balogh's *The Secret Mistress*. New York Times bestselling author Mary Balogh returns to the seductive world she knows so well—Regency England—in a new novel filled with her trademark wit, sensuality, and breathtaking storytelling. With this, the first in a dazzling new quartet of novels, Balogh invites us into a special world—a select academy for young ladies— a world of innocence and temptation. Drawing us into the lives of four women, teachers at Miss Martin ’ s School for Girls, Balogh introduces this novel ’ s marvelous heroine: music teacher Frances Allard—and the man who seduces her with a passion no woman could possibly forget.... They meet in a ferocious snowstorm. She is a young teacher with a secret past. He is the cool, black-caped stranger who unexpectedly comes to her rescue. Between these two unlikely strangers, desire is instantaneous...and utterly impossible to resist. Stranded together in a rustic country inn, Lucius Marshall, who is the Viscount Sinclair, and Frances Allard share a night of glorious, unforgettable passion. But Frances knows her place—and it is far from the privileged world of the sensual aristocrat. Due to begin her teaching position at Miss Martin ’ s School in Bath, Frances must try to forget that one extraordinary night—and the man who touched her with such exquisite tenderness and abandon. But Frances cannot hide forever. And when fate once again throws them together, Lucius refuses to take no for an answer. If Frances will not be his wife, he will make her his mistress. So begins an odyssey fraught with intrigue, one that defies propriety and shocks the straitlaced ton. For Lucius ’ s passionate, single-minded pursuit is about to force Frances to give up all her secrets—except one—to win the heart of the man she already loves. Once again this incomparable storyteller captures a time and a place like no other. And in *Lucius and Frances*, Mary Balogh gives us her most unlikely lovers yet—a nobleman in search of the perfect wife and an unconventional woman willing to risk everything for an unforgettable love.

Frankie No one understands why I love him. Why I need him. Why I took him back. But they don ’ t have to. I know. Despite the hurt and the heartache, I see beneath his skin. And I ’ m different now. No more Flirty Frankie. I'm done with being King of the club. My dreams have changed, and so have I. I ’ m stronger. I believe in myself. And I ’ m a hell of a lot smarter than a year ago. Now it's his turn to show me the man he really is. To prove it. I've always loved him. But that's not enough. I need to learn to trust him. Aaron No more excuses. No more chances. I make this right or lose him for good. I have to do this. No one has ever believed in me but him. No one has ever wanted me but him. I can ’ t let him down. I won ’ t. I can ’ t let myself down. I ’ m trying, but it's so damn hard. No matter what they throw at me, I ’ m stronger. And I ’ m going to make it. I ’ m on my way. With Frankie by my side. I can see the future. I have a future. Us. Together.
