Western Civilization: A Brief History emphasizes the history of ideas presented within a political chronology. Perry's distinctive writing style and unique approach make this abridged version of Western Civilization: Ideas, Politics & Society, 7/e an engaging text for the Western civilization survey course. The Fifth Edition includes coverage of recent events—from the creation of the EU to the war in Iraq—and provides students with the pedagogical tools to analyze and interpret events in context. Chapter introductions and chronologies allow students to easily identify important themes, while review questions serve to reinforce knowledge and aid in exam preparation. New! Material including Muslim artistic and cultural contributions, the French and Russian Revolutions, modern artists, and the battles of WWII has been added to enhance this edition. New! Graphic features include captions for all maps and an expanded color art section with a new essay on contemporary art. New! The "Profile" boxes—which feature men and women who made a significant impact on the cultural landscape of their time—have been expanded and updated.

\*Sources for the History of Western Civilization is a primary source reader designed specifically for students to interact with the sources with limited editorial additions. It begins in the second millennium BC with The Descent of Ishtar and ends with Isaac Newton's The Principia. This volume can stand alone as the primary source reader for the first half of a Western Civilization course or be paired with Michael Burger's overview text, The Shaping of Western Civilization, Vol. 1"--Provided by publisher.

Volume I of The Shaping of Western Civilization begins with the ancient world and ends with the Enlightenment. Unlike other textbooks that pile on dates and facts, Shaping is a more coherent and interpretive presentation.

WESTERN CIVILIZATION: IDEAS, POLITICS, AND SOCIETY, Eleventh Edition, maintains a firm grounding in political history, while covering intellectual history (particularly the significance of ideas and contributions) to greater and deeper extent than any other text for the course. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content-including material on religion and philosophy. Updated with more recent scholarship, the eleventh edition retains many popular features, including comparative timelines, full-color art essays, and profile and primary source excerpts in each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Michael Burger's goal in this inexpensive overview is to provide a brief, historical narrative of Western civilization. Not only does its length and price separate this text from the competition, but its no-frills, uncluttered format and well-written, one-authored approach make it a valuable asset for every history student. The Shaping of Western Civilization: From Antiquity to the Mid-Eighteenth Century begins with the ancient Near East and ends with the mid-eighteenth century. Unlike other textbooks that pile on dates and facts, Shaping is a more coherent and interpretive presentation. Burger's skills as writer and synthesizer will enable students to obtain the background required to ask meaningful questions of primary sources. In addition to suggestions for further reading, this overview includes over 40 images and 14 maps.

That First Kiss and Other Stories is connected to part 1 of the Catechism, "The Profession of Faith."These thirteen stories correspond to sections of the Apostles' Creed. The characters in this collection of stories experience wonder and struggle, hurt and forgiveness, failure and success, and tears and laughter. You will enjoy them as wonderful stories about the joys and struggles of growing. And if you wish, they can serve as a starting point for searching out your own answers about life, God, and faith.
