A low-end whole house remodel starts at around \$16,000-48,000, depending on the size of the house. This usually involves cosmetic updates and minor repairs, inexpensive lighting and floor replacement, as well as light landscaping. A mid-range home renovation costs anywhere from \$48,000 – 75,000. This type of remodel can include a full bathroom and kitchen remodel, some exterior updates, such as new siding, together with using higher-end building and finishing materials.

Every item that requires a water hookup is considered a fixture. This is a rough pricing guide only, and your pricing will depend on many factors. Rerouting Plumbing Prices. Rerouting a single plumbing line will cost about \$700 while repiping a whole house will cost between \$3,900 and \$7,500. If you must move plumbing fixtures such as sinks, toilets, bathtubs, or showers, it's worth designing a plan that makes the best use of existing pipework rather than digging into the slab.

This is NOT your father's home repair book! And it's not your husband's, your brother's, your boyfriend's, or the guy's next door. Dare to Repair is a do-it-herself book for every woman who would rather be self-reliant than rely on a super or contractor. No matter the depth of your pockets or the size of your home, a toilet will get clogged, a circuit breaker will trip, and a smoke detector will stop working. It's up to you how you'll deal with them -- live in denial, pay the piper, or get real and do it yourself. Dare to Repair demystifies these home repairs by providing information that other books leave out. In Dare to Repair, you'll learn how to: Take the plunge -- from fixing a leaky faucet to cleaning the gutters. Lighten up -- from
